FROM

MAJOR C. T. C. PLOWDEN, I. A.,
FIRST ASSISTANT TO THE RESIDENT IN MYSORE.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore.

Dated Bangalore, 3rd August 1920

SIR,

At the instance of the Wing Commander Royal Aerial Force, Bangalore, I am directed to request that you will be good enough to let me know whether the Durbar have any objection to the Royal Air Force making use of a part of Agara tank due south east of Agaram plain as a temporary landing ground should it be necessary for machines to land outside their present ground. This land is said to be uncultivated and at certain periods is under water. No damage would be done to the ground and as the Military Department have now started flying, it is more or less essential to make some arrangements for the use of any land available outside their present aerodrome in case of emergency. The Resident hopes that the Durbar will be able to accord the desired permission.

I have the honour to be,
Sir,
Your most obedient servant,

FIRST ASSISTANT RESIDENT.

Dear Sir,

I have received your D.O.No.G.3324/P.P.50-20-2 dated 10th August 1920. Col Pretyman the Wing Commander, R A. F., Bangalore could only go over to-day with me for inspecting the land. We inspected together the area required for his use. It is a portion of Survey No.12 of the village of Ibbalur and forms part of the bed of the Belandur tank. The Wing Commander assured me that he wanted the land only temporarily for the next one or two months, when the land will not be under water. There is no objection to its use as a temporary landing ground for the Aerial Force. The villagers graze their cattle in the locality and the Wing Commander told me that he had no objection to the cattle grazing over the area or cowherds tending their cattle. I
